TESTIMONIAL

We held our Foodstuffs Executive team offsite at Flaxmere House for two days in September 2019 and it was amazing. Vanessa and her team were very accommodating, attentive and professional and made our stay very easy. The catering was delicious (I highly recommend the bbq for dinner, the meat & salads was superb). The organisation of the whole event was effortless, the setup of the dining area was so professional and the fairy lights looked awesome. The surroundings/property was beautifully maintained, quiet and serene and the rooms were lovely and cozy/comfy. I highly recommend this to anyone looking for a function venue."
